Question No.125:- Will the Government be pleased to ascertain and state whether an account called "Kattu-Uttara" account of remissions on account of dams was being maintained in the South Kanara District, prior to the settlement of 1902 and after that settlement.

A N S W E R.

No.125:- An account of 'Kattuttar' remissions was maintained in the South Kanara district prior to the settlement of 1902. The Government have no information whether the account is maintained at present, but they presume it is not maintained as the charge for double crop lands was specially fixed at 1½ times the single crop charge instead of 1½ times the single crop charge as in the rest of the Presidency, in order to afford compensation for the abolition of the system of Kattuttar remissions.

(G) Reference is solicited to paras 67+107 of the Scheme report on pp 54+82, para 11 of the Collrs endorsement on it on p 140 + para 20 of the Board's Prop on p 188 of Fo 757 Rev dy 25-8-1902 from which it will be seen that the system of granting Kattu Kattai' remissions for putting up dams across irrigation channels + streams was in force in S. Kanara prior to the settlement + that the Dy. Commr, the Collr + the Board after recommended its abolition. In the Fo passing orders on the scheme report there is no specific mention of the abolition of the system though in the notes to the Fo Sir Gabriel Stokes was of opinion that the Board recommendation should be approved.

p 9 of notes to Fo dtd

It is not known whether the system is now in force in S. Kanara. Apparently it is not as all double crop wet lands are charged an addition to the single crop rate an extra assessment of one fourth only (instead of one half in other districts) of the first crop charge (as recommended by the Dy. Commr) in view of the abolition of the Kattu Kattai remission - vide para 106 on p 83 + para 16 of the order on p 222 of Fo no 757 Rev dy 25.8.1902.

The answer to the question may be as follows:—

"An account of Kattuttar remissions was maintained in the S. Kanara district prior to the Settlement of 1902. The Govt have no information whether the account is maintained at present, but they presume it is not maintained as the charge specially for double crop lands was fixed at 1¼ times the single crop charge instead of 1½ times the single crop charge as in the rest of the Presidency, in order to afford compensation for the abolition of the system of Kattuttar remissions.
